Hi, Chris. Can you tell me who the USACE equivalents are? That would help. Thanks, I'll try to get back to you soon. Helen

Subject: Bradford Island - EPA Coordination

Hi Helen,

I'm preparing a governance structure for Bradford Island and I need to know who from EPA will be involved in Bradford Island discussions. Below is the list of folks I have so far. Can you let me know who else will be involved and provide their official title and where they are in the hierarchy. Is Calvin Terada at the top or is there someone at a higher level that would participate in Senior Executive level meetings? I wasn't sure what level to place Kira Lynch and who else should be listed at the project level. Your help would be much appreciated. I need your input today, if possible. Sorry for the short notice.

Thanks,
Chris
